

UKaid Skills for Employment Programme (सीप)

Skills Windows and Co-Investment Ratios

Window	Expected Partner Contribution
Window 1: Employer / Sponsor Led Training	An expected contribution of 50-70% from the applying entity.
Window 2: Provider Led Training Models	An expected contribution of 30-40% from the applying entity. However, since this is a competitive process, applicants to be notified that the proposals with the larger proposed share of co-investments are likely to be prioritized.
Window 3: Training Models specifically focused on GESI & PwDs	An expected contribution of 10-20% from the applying entity. However, since this is a competitive process, applicants to be notified that the proposals with the larger proposed share of co-investments are likely to be prioritized.
Window 4: Open Window (Skills)	Open
Window 5: Cost of Migration and Ethical Recruitment	An expected contribution of 50% from the applying entity.
Window 6: Savings and investment	An expected contribution of 30% from the applying entity. Applicants to clearly state the minimum investments they are likely to make in terms of loans etc. so as to enable recordkeeping of the leverage of CF investments.
Window 7: Open Window (Migration)	Open
